1. [] Dr. Scoville, accompanied by [] and John S. Warner, appeared before the staff of the Joint Committee on Atomic Energy to bring them up to date on current developments in the atomic energy field. See Memorandum for the Record.

25X1
✓ 2. [] Advised by [] CDC, that State Department has received a request from the Senate Judiciary Committee for comments on S. 3043, a bill to amend the Immigration and Nationality Act. The State Department position will be concurrence provided the quota allocation is reduced from 30,000 to 5,000.

3. [] Talked with William Canon, BOB, about the Bureau's letter to the Agency concerning our proposed report on []. In its reply the Bureau takes the position that enactment of [] would be discriminatory and would serve as an undesirable precedent and, therefore, recommends against this enactment. I reminded Canon of that fact that we had submitted what amounted to a factual report last year to the Senate Judiciary Committee on this case and added that we would do somewhat the same thing in our letter to the House committee, indicating in general terms the Bureau's opposition to the bill. Canon was in agreement with this approach, but preferred that we not send a copy of the Bureau's letter to the Committee at this time.

4. [] Jay Sourwine, Senate Internal Security Subcommittee staff, called and asked if we had any information as to whether Blas Roca, one of the top Communists in Cuba, had ever been "baptized into the Catholic Church." Sourwine said a Senator had asked him this question and he knew no way of obtaining this information unless we might possibly have it. I told Sourwine we would look into this and be in touch with him.

25X1 5. [] Checked with the House Judiciary
Immigration Subcommittee and learned that [] a private immigra- 25X1
tion bill for the relief of an adopted daughter of [] had passed the 25X1
House en bloc, along with a number of other immigration bills on Tuesday.
This information has been passed on to [] 25X1

25X1 6. [] FDD advised that the book entitled
"Chinese Policy Background of the Campaign against Yugoslavia" which
had been requested by Ben Mandel, Senate Internal Security Subcommittee
staff, was not yet available, but we will be notified if a copy is procured.
Mandel is being advised of this.

25X1 7. [] Ted Crollus, Administrative Assistant
to Senator Jacob K. Javits, called concerning [] 25X1
whom Crollus described as a friend of a friend of the Senator. [] 25X1
[] applied for a position with the Agency, but according to Crollus
had been turned down for security reasons. Crollus said [] 25X1
had made a trip into Hong Kong some time ago and later made an illegal
entry into Communist China. [] is interested in knowing why 25X1
she was rejected on security grounds. She is interesting in obtaining a
position elsewhere in the Government but believes she might be similarly
disqualified in other agencies. I told Crollus I would look into the case
and be back in touch with him.

25X1 8. [] Miss Olson, on the staff of Senator
Thomas J. Dodd, called and was rather insistent in knowing the status
of the employment application of [] 25X1
[] Miss Olson was advised that
we would check on this and be in touch with her tomorrow.
